

Stop sending, start sharing

- as Simple Box (share)
- as Advanced Box (Abacus link)

DeepBox is a Swiss product. It is a **secure, intelligent interface** between clients and accountants. It ensures less paperwork, faster processes, secure data exchange, and seamless digital collaboration.

Why DeepBox?

Easy sharing

Quickly share receipts, contracts, and documents with your accountant.

Secure exchange

Your documents are encrypted and exchanged.

Automation

Invoices and receipts are automatically recognized and correctly assigned.

Transparency

Access DeepBox anytime, anywhere.

Time savings

Less paperwork – more focus on your business.

Simple Box option

- Secure document exchange
- Shared access with your accountant
- Document upload via app or drag & drop

Free for our clients – PKF covers the costs

Advanced Box option

- Everything from the Simple Box
- Advanced automation with ABACUS link (e.g., automatic posting suggestions)
- Intelligent workflows (e.g., prepare payments)
- Individual access permissions

Cost: from CHF 9/month

Key points of the DeepCloud Terms and Conditions

- Agreement to the Terms and Conditions and the Privacy Policy is a prerequisite for using DeepBox.
- The owner is responsible for the behavior of users, for correct contract data, access protection, etc.
- The owner must take technical and organizational security measures (e.g., secure passwords, system protection).
- Content that is uploaded must not be illegal, and the owner is liable for legal violations caused by content or the usage behavior of its users.
- DeepCloud provides the infrastructure (hardware, software, hosting).
- DeepCloud does not guarantee uninterrupted availability. Maintenance work, network disruptions, etc. are possible.
- Upon termination, access expires, applications are blocked, and data is deleted.

Key points of DeepCloud data protection

- DeepCloud AG protects personal data.
- Data is stored for as long as is necessary for the purpose, contractually or legally required.
- Matomo is used in the DeepBox account to analyze usage.

By using DeepBox, you accept the terms and conditions and the corresponding privacy policy of DeepCloud AG.

PKF Zurich is not a party to the agreement and therefore accepts no liability for the agreement between you and DeepBox. PKF accepts no liability for the correct storage and security of data.

If you have any questions about opening a DeepBox for your company, please contact your PKF representative or:
