As payroll, accounting, audit and tax professionals, we can offer a broad range of additional services tailored to your needs.

Your benefits

We ensure that your payroll is not only processed accurately and on time but also keeps pace with the growing requirements of social security, employment law and international assignments. This gives you greater certainty, reduces risks and frees up valuable time to focus on your core business.

Our expertise

Payroll is more than payroll processing. It is about security, reliability and expertise in an area that is equally critical for employees, businesses and authorities. That is why PKF Zurich combines personal advice with digital efficiency and clearly defined processes to ensure seamless and compliant payroll management.

Our payroll approach is efficient, digital and forward-looking. We ensure accurate payroll processing, continuously optimise workflows and provide practical guidance on social security, pension schemes and employment law. The result is a payroll function that not only meets compliance requirements but also creates tangible value for your business.

We leverage modern digital solutions to streamline processes and simplify collaboration with our clients.

A dedicated team of payroll specialists, supported by experienced engagement managers, ensures short communication channels, flat hierarchies and pragmatic solutions. This enables us to respond quickly, efficiently and with a clear focus on your business needs.

Through close collaboration across our accounting, tax and advisory teams, we deliver practical and seamless solutions. For complex matters, we draw on specialist expertise to ensure the best outcome for our clients.

We rely on a certified premium IT provider in Switzerland to operate our Abacus systems securely and effectively. All data is processed and stored exclusively in Swiss data centres. The provider adheres to recognised security and compliance standards, including ISAE 3402 and ISO 27001, complemented by automated daily backups to ensure maximum reliability and data protection.

For quality assurance purposes, an independent auditor annually certifies our payroll accounting activities and our internal control system
