Your benefits

We ensure that international employee assignments are not viewed in isolation from a payroll, tax or social security perspective. Through interdisciplinary collaboration across our service lines and PKF's Global network, you benefit from coordinated, practical solutions from a single source.

Our expertise

Global Mobility connects people, companies and countries. We coordinate tax, social security and payroll matters so that international employee assignments can be implemented securely and efficiently.

Our advisory approach is forward-looking, practical and solution-oriented. We develop tailored solutions that align tax, social security and payroll requirements.

Consistent team & fast decisions: An experienced team ensures short communication lines, flat hierarchies and pragmatic solutions.

Our tax, social security and payroll experts work closely together. For country-specific matters, we involve local specialists from the global PKF network.

We make complex cross-border matters easy to understand and provide companies and employees with clear, practical recommendations.

We rely on a certified premium IT provider in Switzerland to operate our Abacus systems securely and efficiently. All data is processed and stored exclusively in Swiss data centres. The provider adheres to recognised security and compliance standards, including ISAE 3402 and ISO 27001, complemented by automated daily backups to ensure maximum reliability and data protection.
