## New Tax Director at PKF Zurich

Dear clients, dear business partners

With this letter, we would like to inform you about a change in the management of PKF Zurich Group.

Mrs. Margarita Baeriswyl, who led our tax department as Associate Partner during the last three years, has left our company for personal reasons. We would like to take this opportunity to thank Margarita for her support and wish her all the best for her personal and professional future.

We are very pleased to introduce Mrs. Dominique Kipfer as the successor of our tax department. Mrs. Kipfer has been with PwC for the past 15 years in both the corporate tax and private client areas. Since 2021, she has served as a Director in Tax and Legal Services for Swiss and international companies. She is a certified tax expert (graduated in 2012) and holds a Master of Arts in Law and Economics HSG (University of St. Gallen).

We are convinced that Mrs. Kipfer will be able to advise you comprehensively and competently in the future. A tax assistant will assist her. Our two new employees are highly motivated and look forward to meeting you and responding to your questions and concerns.

If you have any questions, please do not hesitate to contact us. We look forward to a continued pleasant cooperation.

Kind regards  
PKF Consulting AG
