Your benefits

We go beyond compliance. By enhancing transparency and strengthening the confidence of shareholders, boards of directors and investors, we help you identify risks early and make informed business decisions. Our interdisciplinary approach gives you direct access to experts, personal support and practical, integrated solutions from a single source.

Our expertise

We don't just audit numbers. We understand your business model, identify risks, and develop recommendations that create real added value for owners, the board of directors, and investors.

Our approach to audit is risk-based, innovative and efficient. We focus on improving the audit process, year on year, and providing quality feedback and improvement possibilities to management on internal systems and controls.

We leverage modern digital solutions to streamline processes and simplify collaboration with our clients.

Flexible on-site or remote: We adapt to your needs and the size of your company with efficiency and agility, delivering support exactly where you need us.

Consistent teams and quick decisions: A well-coordinated audit team and direct senior management involvement ensure short communication channels, flat hierarchies, and pragmatic solutions.

Unique clients deserve unique solutions

Statements from our clients

"Working with Anja and her team over 10 years and only what I can say that her dedication and passion to her work and finding solution is outstanding. Every time when assistance or solution was needed Anja was more that ready to offer and help us to move forward. I can always count on her to deliver high-quality work on time. Her consistency builds trust and keeps our operations running smoothly. I hope to keep this great business relation with Anja for long-term period."

Adisa Hrapic – Finance Manger, Enzo Life Sciences (ELS) AG

"I engaged PKF Zurich for an IFRS conversion audit. Despite the short preparation time, the audit was carried out in a highly professional, structured, and efficient manner. The team quickly familiarized itself with the complex issues and completed the work to our fullest satisfaction. I would particularly like to emphasize the very appreciative and constructive collaboration throughout the entire project. We experienced the cooperation as highly professional and reliable. I can recommend PKF Zurich without reservation."

Alessandro del Fabro – CFO, FiberSense AG
